Dear Member,

The 2011 Come By Chance Picnic Races will be held on Saturday 24th September

Our sponsors this year are;

Geronimo Farm Equipment and Walgett Tyre and Machinery – Landmark Coonamble – Croplands – Rabobank Australia – Dubbo City Toyota – David Aarts Earthmoving – Boss Engineering – Euroka Stud – DHA Welding – Tim Wall – Coonamble Cellars – Gray’s Auto Electrical – Coonamble Electrical & Air-conditioning – Transann Bulk Transport – Robbo’s Construction and Earthworks – Cropjet – Landmark Walgett

The tap’s turned off, the rain’s shot through
We’re feeding stock and so are you
But have a break and a bit of fun
Cos the Comeby races are set to run.

The weather map won’t change from staring
And crops grow with rain, not just swearing
So find the frocks and special ties,
come and play in the dust and flies.

Please bring some friends – one or ten,
and bring some lunch to share with them.
Because it’s Comeby’s day, bets are on
The Miss Comeby contest will be strong

Lion’s Club will crank the BBQ,
The kids can race, to a jumping castle too
For those who choose, there’s a coffee van
And last year’s star, the helicopter man

When the post is dust and horses washed,
Between bar and dance floor we’ll be squashed
So free the date for a lot of fun
Cos the Comeby races are set to run

If you have any enquiries please call myself, any of your committee members or the Secretary.
