

## *To the Committee*

*We have our Treasurer Jack and President Ken  
And there's Elyse & Angus and Lara & Ben  
The Slacksmith boys, Tom and Will  
And there's the other Tom and Fiona & Bill  
Sam comes each meeting and quite often Hugh  
And sometimes the Burnheim's, Bill & Sue  
When it comes to race jargon I can be quite thick  
But to the rescue, along comes Mick  
Libby makes it when commitments permit  
And even Steve does his little bit  
We have Mr & Mrs A and all they gave  
There's OAM Councillor Jane and husband Dave  
And Annie & Mike, great supporters of the race  
He looks for tips from his holy Grace  
Brian's there a lot and at times Terry too  
Jason, Garth, Tim & Scott, they're all new  
When Des isn't here, Flip takes his place  
And Jim gets the track looking spick each race  
Every once in a while we have Simon and Ed  
And there's young blood now, Chafe and Ted  
Rambo was around 'til he went down in a heap  
And Robbie's still looking for last year's lost sheep  
To my husband Rodger who puts up with a lot  
He should think himself lucky that me he has got  
And last but not least of course there is Hank  
It's all of these people I think we should thank*
